Letter dated 22-2-1934.

Requests to be informed as to how an elector who is employed at a different Constituency in connection with the election work, and hence unable to vote at the particular Polling station at which he is required to record his vote, has to get the ballot paper.

H.P. Rule 12 of the Electoral Rules (para 66 of the R.A. Manual) provides for Voting at a different Polling Station in the same Constituency by electors employed for election work; Whereas the point raised by Mr. Venkataramiah is in connection with the electors entitled to Vote for a particular Constituency but employed in a different Constituency. There is no specific provision in the present rules to cover cases of this kind. The above rule may however be interpreted so as to cover such cases and the Govt have reserved powers to make such interpretations. (Vide Notification No. Rel 5087/R.A 32-32-1 dated 13-2-1933. para 110. page 35 of the Manual.)

2. A doubt has also been expressed in some other quarters in regard to the procedure to be followed by an Elector who has been employed as a Polling Officer, in the matter of recording his Vote under the system of Postal Voting. In the absence of the Officers specified in rule 34(1) of the Electoral rules, such Electors who are employed as Polling Officers may record their Vote o
